Motivation Letter - Master's Degree

I am writing this motivation letter to apply for a Master's Degree in Managing Digital Transformation in the Health Sector. I am a highly motivated professional who perceives this degree to be beneficial for my future career.

I am a General and Family Medicine Specialist who truly believes that digital transformation through innovative and highly useful projects will contribute to significant gains in health.

Through this Master's Programme I hope to develop and learn more about the field I have applied for. I believe that universities offer the best opportunities.

Thank you for considering my application.

**Best Regards,**
