

## Motivation Letter

Motivation Letter (from João Vasco Gonçalves Fonseca)

To the admissions office of the Master's Degree in Managing Digital Transformation in the Health Sector (ManagiDiTH),

My name is Vasco Fonseca and I am writing to express my interest in attending the ManagiDiTH Master's Degree. I am a Neurology Resident at Hospital Beatriz Ângelo (Loures, Lisboa, Portugal) with a great interest in translational areas such as implementation of optimized services and new procedures.

Throughout the residency, I've contacted with many fields, and I think that it would be of my personal and professional interest to further my knowledge in areas approached in this program.

I think participating in the ManagiDiTH Master's Degree would be na amazing oportunity, to be able to learn from leading experts in the fields of Digital and Health Sectors and to network with other students and researchers. I believe that this experience would help me to further my education and prepare for a career in Neurology.

Thank you for your time,

Sincerely,

Vasco Fonseca
