RIGISTRAR
MOHAMMAD OUBAH

DEGREE CERTIFICATE

No. 2011620

Technology, Communication and Transport

Wael Mohd Ali Awad
200674-221Y

has completed the degree of

Tekniikan ylempi ammattikorkeakoulututkinto, Master of Engineering (60 cr)

in the Master's Degree Programme in Information Technology

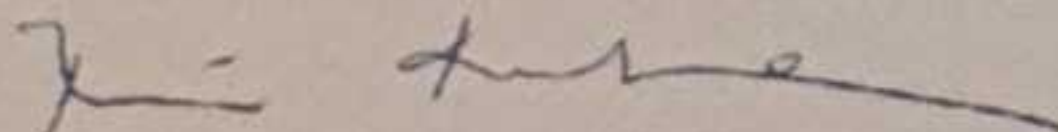

in accordance with the Act of Parliament on Universities of Applied Sciences (932/2014).

The degree entitles the holder to use the Ministry of Education and Culture authorised title of

Insinööri (ylempi AMK), Master of Engineering.

The achieved credits are assessed in the supplement.
