

Motivational letter

Honorable professors,

It is with great pleasure that I submit my application for the Master's program in Managing Digital Transformation in the Health Sector. This master's degree is of a high standard, with a very well-structured curriculum, which provides an interdisciplinary approach and combines technological knowledge with an understanding of healthcare needs. I believe that by attending it, I will acquire the necessary knowledge to plan and support the digitization of health services, as well as the implementation of innovative processes, through which the improvement of the quality of care and the efficiency of health systems will be achieved. Gaining skills in data analysis, artificial intelligence and interoperability is also important. In summary, this master's program provides a well-rounded education, combining technological knowledge, social skills and strategic thinking, making it ideal for my professional occupation in the health services sector.

Yours sincerely,

Isidora Billia
