01/11/2021 – 01/11/2022 Madison, Wisconsin, United States

CO-CHAIR PHARMACY DOMAIN IHE INTERNATIONAL

User Co-chair Pharmacy Domain, hybrid work. On behalf of Nictiz, my paid employer.

IHE Pharmacy is the pharmacy related domain of IHE International, it is coordinated from a Vendor and User perspective.

IHE Pharmacy addresses information sharing, workflow and patient care in both community and hospital pharmacies.

k)

IHE is an initiative by healthcare professionals and industry to improve the way computer systems in healthcare share information. IHE promotes the coordinated use of established standards such as DICOM and HL7 to address specific clinical needs in support of optimal patient care. Systems developed in accordance with IHE communicate with one another better, are easier to implement, and enable care providers to use information more effectively.

Vision

Enable seamless and secure access to health information that is usable whenever and wherever needed.

Mission

IHE improves healthcare by providing specifications, tools and services for interoperability. IHE engages clinicians, health authorities, industry, and users to develop, test, and implement standards-based solutions to vital health information needs.

01/12/2022 – 01/03/2024 Utrecht, Netherlands

MANAGER HEALTH CAPGEMINI INVENT

Strategy consulting on assignments myself, as well as managing a team at the client side and the firm itself on the topics of health care, data/information and strategy. Focus on long term benefits of C level strategic choices by building impact analyses and transformation plans. Guiding implementation of policies and technological opportunities in the public sector for big hospitals, policy makers and government related health organizations in the European Union.

01/03/2024 – CURRENT Diemen, Netherlands

SENIOR STRATEGIC ADVISOR ZORGINSTITUUT NEDERLAND

I have just recently started this job at the Zorginstituut Nederland, which translates to National Health Care Institute of The Netherlands.

My position is to advise the CIO and board members on the strategic choices to make internally, but more importantly, to the health care organizations we advise and guide on the topics of health care in the digital era.

We are being governed by the Dutch Ministry of Health, Welfare & Sports as a separately operating advising organization and HTA.

My focus will be on translating the European policies from i.e. the European Health Data Space, with the impact on the work we are doing, the processes and changes that are necessary to accomplish these regulations into practice and benefits for the health care in The Netherlands
