

Dear Admissions Committee,

My name is Grzegorz Kuriata, and I am a graduate of the University of Gdańsk, majoring in Mathematical Modelling and Data Analysis with a keen interest in Data Science and Healthcare technologies. I am writing to express my sincere interest in the Master in Management of Digital Transformation in Healthcare (ManagiDiTH) program.

Since the beginning of my academic and professional journey, I have been deeply enthusiastic about leveraging technology to drive positive change in the healthcare sector. The prospect of leading digital innovation in healthcare excites me, and I am eager to contribute my skills and knowledge to address the challenges and opportunities presented by digital transformation.

My motivations for applying to the ManagiDiTH program are deeply rooted in my desire to be at the forefront of digital transformation initiatives. I am drawn to the program's emphasis on management and leadership in the digital age, as well as its focus on integrating technology with sustainable practices. In today's rapidly evolving world, effective management of digital technologies is crucial especially for healthcare sector.

The ManagiDiTH program's emphasis on integrating technology, management, and sustainability aligns perfectly with my career aspirations. I believe that by understanding these key elements, I can effectively navigate the complexities of digital transformation in healthcare and drive meaningful impact. Moreover, the multidisciplinary curriculum offered by the program, covering areas such as healthcare management, digital health technologies, entrepreneurship, and sustainable development, resonates with my diverse interests and will provide me with a well-rounded education. Additionally, the program's commitment to fostering a diverse and inclusive learning environment is commendable and reflects my own values of learning from individuals with different backgrounds and perspectives.

In terms of my career goals, I am determined to become a leader in digital innovation within the healthcare sector. I aspire to drive positive change and innovation in healthcare organizations by leveraging technology, effective management strategies, and sustainable practices.

I believe that the ManagiDiTH program would equip me with the skills, knowledge, and network needed to achieve these goals and make a meaningful difference in the lives of patients and healthcare professionals.

In conclusion, I am genuinely enthusiastic about the prospect of joining the ManagiDiTH program and am confident that it is the perfect platform for me to further my education and advance my career in healthcare sector. Thank you for considering my application, and I look forward to the opportunity to contribute to and learn from the ManagiDiTH community.

Sincerely,

Grzegorz Kuriata
