

WORK CERTIFICATE

We herewith certify that Mr. Bernardo Gomes is employed by Gameiros Material Clínico Lda, Leiria, Portugal since 19th January 2012 as Prosthetist/Orthotist and also as Technical Director on a full time job, 40h/week.

Gameiros Lda, is a Portuguese company with more than 20 year history acting on the health field as distributor of healthcare products and provider of healthcare services. We have a wide variety of medical devices and we cooperate with hospitals, pharmacies and nurse houses all around the country.

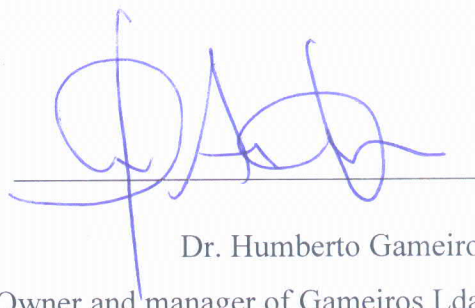

Mr. Bernardo's main responsibilities are to:

- Implement and control the appliance of Portuguese/EU laws for Medical devices within the company.
- Access and treat patients.
- Manufacture and apply medical devices (prosthetics/orthotics)
- Train other Health Allied Professionals from inside and outside the company
- Provide technical support to hospitals, clinics and similar institutions

Since his arrival the department grew in size and importance within the company. As Technical Director he implemented several strategies targeting long term and midterm goals which turned to be crucial to the organization's development. It became financially sustainable and it now offers more services with higher quality. The technical department is now a vital asset acknowledged by all stakeholders.

We are happy to have him on our team not only because of his professional skills but also because of his marking personality.
