**DIPLOMA SUPPLEMENT**

This Diploma Supplement model was developed by the European Commission, Council of Europe and UNESCO/CEPES. The purpose of the supplement is to provide sufficient independent data to improve the international 'transparency' and fair academic and professional recognition of qualifications (diplomas, degrees, certificates, etc). It is designed to provide a description of the nature, level, context, content and status of the studies that were pursued and successfully completed by the individual named on the original qualification, to which this supplement appended. It should be free from any value judgments, equivalence statements or suggestions about recognition. Information in all eight sections should be provided. Where information is not provided, an explanation should give the reason why.

1. INFORMATION IDENTIFYING THE HOLDER OF THE QUALIFICATION

- 1.1 Last Name(s): TSELEMPI
 1.2 First Name(s): EVANGELIA
 1.3 Place - Country of birth: EDESSA GREECE
 1.4 Date of birth (day/month/year): 24/04/2002
 1.5 Student identification number or code: 352/20

2. INFORMATION IDENTIFYING THE QUALIFICATION

- 2.1 Name of qualification and (if applicable) title conferred (in original language)

8. INFORMATION ON THE NATIONAL HIGHER EDUCATION SYSTEM

According to the National Advanced Education Framework (Law 4957/2022), the higher education is provided by the State Higher Education Institutes (HEIs). The HEIs are legal state entities, self-governed, including Universities, Polytechnics, the School of Fine Arts, and the School of Pedagogical and Technological Education.

The State Universities' supervision is controlled by the Ministry of Education (i.e., Department of Education), according to the Constitution Article 16. The State Independent Administrative Authority, under the name of "Hellenic Authority for Higher Education (HAHE), as of the article 2, State Law 4653/2020 (A' 12), is responsible for the evaluation and certification of HEIs, their individual academic units, and their study programs.

Entrance to the various HEIs depends upon the yearly national examinations scores obtained by Lyceum graduates, pending upon the number of available places (numerus clausus), the candidates' ranked preferences among departments and, the Lyceum graduation grades.

Hellas (Greece) is a member of the European Higher Education Area (EHEA) and of the ENIC-NARIC networks (<https://www.enic-naric.net>), thus applying the European Credit Transfer and Accumulation System (ECTS), and aiming at enhanced transparency of studies, higher education quality improvement, and recognition of acquired titles and qualifications. The National Qualification Framework consists of eight (8) educational levels, fully accredited to the European Qualification Framework. Further information for the Hellenic (Greek) National Education System can be found at <https://www.doatap.gr> and <https://eurydice.eacea.ec.europa.eu/national-education-systems>, and for the National Qualification Framework at <https://www.eoppep.gr/index.php> and <https://nqf.gov.gr/>.
