We hereby declare that Mr. Pedro Botelho Fernandes, Physiotherapist with Professional Certification C-037437070 and Citizen Card Number-13202133 had integrated GFI Medicine Project between February/2015 and January/2016.

During this period Pedro had managed the Physiotherapy Department dedicated to Musculoskeletal rehabilitation, following some Olympic Athletes.

He had shown excellent capacity of work, human relations and stressful situations management, integrated in a multiprofessional team.

We highly recommend Pedro Fernandes as a Physiotherapist for any very demanding Musculoskeletal Rehabilitation project.
