Achillefs Diamantis

I am a recent graduate of the Department of Accounting and Finance at the University of Macedonia. With a strong sense of energy and ambition, I approach every task with maturity and responsibility, ready to make a meaningful impact in my field. In addition to my academic achievements, I have gained practical experience through internships and part-time positions in various financial environments. This hands-on exposure has equipped me with a solid understanding of economic analysis, budgeting, and maintaining accurate financial records. I am eager to leverage my skills and knowledge in a dynamic work environment in the health sector where I can contribute to team success and grow professionally.
