TO WHOM IT MAY CONCERN

This is to certify that **Rebeka Žerovnik, born 29. 7. 1989**, has been employed at **Technology Park Ljubljana** since **April 5, 2021**, in a full-time capacity (40 hours per week).

She holds the position of **Project Manager**, and since **December 2021**, she has also served as the **Head of the Digital Health Innovation Hub – Healthwise**.

Throughout her tenure, Rebeka Žerovnik has demonstrated a high level of professionalism and commitment. Her responsibilities have included:

- Mentoring startups in the fields of health innovation and business development.
- Facilitating partnerships for national and international collaborative projects.
- Supporting startups and SMEs in preparing their digital health solutions for testing in real-life healthcare environments, in cooperation with medical institutions.
- Organising and managing international events and workshops focused on innovation, digital health, and entrepreneurship.
- Planning and executing activities for ongoing European innovation projects.
- Developing proposals for various European funding frameworks, including Horizon 2020, Horizon Europe, and Interreg.

As Head of Healthwise, she has taken a leading role in fostering collaboration between healthcare institutions, technology providers, and public stakeholders. Her work has significantly contributed to the development and integration of innovative health technologies in Slovenia and beyond.

We confirm her ongoing employment with our organisation and her outstanding contributions in the field of healthcare innovation.

Sincerely,

Jernej Pintar, PhD
