To Whom It May Concern,

Please be advised that Susanna Cirulli is currently employed with Healthcare Information and Management Systems Society (HIMSS), starting on 4 January 2024. Susanna is a full-time employee, working 40 hours per week.

As Programme Manager, Susanna leads the development and execution of agendas focused on global insights, best practices, and innovations in digital health. This role involves conducting market research and trend analysis, to ensure content is relevant and impactful for key stakeholders, including policymakers, healthcare leaders, and industry executives. In addition to managing the acquisition of thought leaders, fostering relationships to deliver high-impact sessions, the Programme Manager oversees the entire event lifecycle, from pre-conference planning through to post-event content repurposing, working closely with marketing, sales, and logistics teams.

If additional information is required, please contact me colleen.hoffman@himss.org or by phone at 312.638.9413.

Sincerely,

Colleen Hoffman
