To Whom It May Concern:

I would like to recommend Angeliki-Eirini Charou for the post-graduate programme ManagiDith organised by your institution. I have supervised Angeliki as a Translator and Reviewer since April 1st, 2021, and I know she will benefit the most from her participation in your programme while being an additional asset to your postgraduate team.

Angeliki has a great work ethic, consistently turning in projects and assignments early. She also makes it a point to lend a hand to the rest of the team since she understands that we are all working together towards a common goal. Her dedication to getting things done efficiently has been noted both by her peers and her superiors.

I think Angeliki-Eirini will be a great addition to your programme. She steps up and takes charge when needed, which is crucial for success in any field. I believe accepting her to your programme will be a huge benefit to your team.

Thank you for your consideration. If further information is necessary, do not hesitate to reach out.

Best regards,

Maria Alexopoulou
