No.F1-1/Exam-16/CPSP/-G

January 21, 2016

TRANSCRIPT / TRAINING COMPLETION CERTIFICATE

It is confirmed that Dr Imran Khan passed FCPS examination in the discipline of 'Cardiac Surgery' and admitted to the fellowship of the College of Physicians & Surgeons Pakistan on December 27, 2015.

He completed following requirements leading to award of Fellowship.

- Passed FCPS Part-I examination, consisting of core knowledge of basic subjects, having earlier acquired basic medical qualification MBBS, and completed one year house job as foundation year.
- Completed Five (05) years post graduate higher specialists' training, in CPSP accredited institutions under approved supervisors, initial two years in general 'Surgery' and subsequent three years in 'Cardiac Surgery'. Training details are given below.

<u>Institution</u>	<u>Discipline</u>	<u>From</u>	<u>To</u>	<u>Supervisors</u>
Khyber Teaching Hospital Peshawar, Pakistan	General Surgery including Rotations	25.01.2010	25.01.2012	Dr Muhammad Aziz Wazir, Prof of Surgery
Punjab Institute of Cardiology Lahore, Pakistan	Cardiac Surgery	01.02.2012	01.06.2015	Dr Abdul Waheed, Professor of Cardiac Surgery

Other requirements completed are as under,

- Attended workshops prescribed for the course.
- Worked on a research project after approval of synopsis and wrote dissertation on completion of this project.
- Passed Intermediate Module examination in general 'Surgery', as a midway assessment, on completing initial two years of training.
- Maintained a log book for recording clinical cum academic work done throughout the period of residency

It is also confirmed that:

- All elements of the course, including clinical activities were taught and examined in accordance with the College curriculum.
- English is the official medium of training and examinations, conducted by this College.

Because of structured and supervised training and standardized examination, the FCPS of the College is recognized as the highest academic cum clinical qualification in Pakistan.

After passing FCPS, which is an exit qualification, these doctors are authorized to practice independently and are registered as consultants in the relevant discipline by the Pakistan Medical & Dental Council (PMDC).

Dr Muhammad Sharif
Chief Controller of Examinations
