WORK EXPERIENCE

IT Consultant

17/05/2022 – Current

Axians |  Lisboa, Portugal

- Strong focus on digital transformation and healthcare integration as a Business Analyst for SPMS (Serviços Partilhados do Ministério da Saúde/Shared Services of Ministry of Health);
- Actively engaged in various transformative projects related with telehealth, primary healthcare and epidemiology;
- Entrusted with the task of defining requirements and ensuring that they are align with the needs and expectations of end users.

Physiotherapist

31/01/2022 – Current

Freelancer |  Barreiro & Montijo, Portugal

- Monitoring of individuals with neuromuscular and/or cardiorespiratory diseases in a home setting and in a private clinic;
- Promotion of autonomy and effective self-management of chronic conditions;
- Coordination of care with other clinical and non-clinical teams present in the community.

Product manager

05/01/2016 – 27/01/2022

Linde Saúde |  Lisboa, Portugal

- Monitoring chronic respiratory patients in the comfort of their homes. In collaboration with physicians and several stakeholders, I worked to prevent hospital admissions, prioritizing the promotion of health and enhancing the quality of life for these individuals.
- Leading a dedicated national team of healthcare professionals, including nurses, physiotherapists, cardiopneumologists, and clinical physiologists. Together, we are committed to providing home-based monitoring and care for chronic respiratory patients, ensuring their well-being and quality of life.

Physiotherapist

05/11/2013 – 29/11/2015

Centro de Medicina de Reabilitação do Sul |  São Brás de Alportel, Portugal

- Intensive neurological rehabilitation for individuals with spinal cord injury, stroke, and traumatic brain injury;
- Integrated into the adaptive sports group (Boccia and adapted sailing);
- Motor control and gait training using Lokomat.

EXPERIÊNCIA ACADÉMICA

Guest Lecturer | Polytechnic Institute of Setúbal - School of Health

02/2021 – Current

1. Lecturer for 2nd-year and 4th-year students, specifically in the field of cardiorespiratory conditions and community intervention projects. Alongside, I was also the co-creator and clinical developer of the groundbreaking respiratory telerehabilitation program, RECoV19, in collaboration with InspirO2 Association, which earned the prestigious 2nd place in the Angelini University Awards 2020/2021.

Researcher | CHRC – Comprehensive Health Research Centre

12/02/2024 – Current

Guest Lecturer | Alcoitão School of Health Sciences

12/2019 – 01/06/2022

1. Collaboration in the postgraduate course "Advanced Practice in Respiratory Physiotherapy," providing an enriching learning experience for my colleagues.
