Subject: Evidence of Minimum Level of English Language for Admission to the master's degree in Managing Digital Transformation in the Health Sector

Dear Admission Team,

In my application for the master's degree in Managing Digital Transformation in the Health Sector, I included the most recent English language test I completed last year, the Duolingo test. This formal test was used to gain admission to a Postgraduate Course at the Technical University of Dublin in the Republic of Ireland.

This test is recognized by many universities in the United Kingdom, United States of America and Republic of Ireland as proof of English language proficiency for academic admission.

Additionally, I have attached to this cover letter an older IELTS Academic certificate from 2016, which shows an overall score of B2. However, I believe the Duolingo test is more representative of my current proficiency, as it is recent.

It is worth noting that I took the Duolingo Language Test before spending nearly a year in the Republic of Ireland, working and studying at the university. Therefore, my current English level is likely higher than indicated by the Duolingo test results.

Attached to this letter, you will also find the official certificate from the Technical University of Dublin for the Postgraduate Certificate in Digital Leadership and Transformation, equivalent to 30 European ECTS, taught entirely in English. I have completed and approved all the assignments for this postgraduate course (Academic Year 2023/2024), and I am awaiting the final certification, which will be released at the end of June, pending the approval of the Academic Council.

Enclosed, you will find the following documents:

- The IELTS Academic Test certificate.
- The more recent Duolingo test results, used to demonstrate my English proficiency for admission to the Postgraduate Certificate in Digital Transformation and Leadership at the Technical University of Dublin (which require a minimum required score equivalent to B2 level for all postgraduate courses). The link to verify the certificate is the following
<https://certs.duolingo.com/12bda02fd6fe5af590e931e46319f977>
- The certificate of enrolment in the PG Certificate, issued by the Technical University of Dublin.

I hope this documentation will suffice to prove my English proficiency for admission to your master's program.

Should there be any uncertainty regarding my English level, I am available for an interview. Unfortunately, when I submitted my application, I could not find a specific form for responding to language questions as indicated on your website. However, I am willing to complete any necessary forms to prove my English proficiency. As an additional option, I can also submit the latest academic title issued in an English-speaking country as further evidence of my proficiency, available at the end of June.

Thank you for your consideration. If you have any questions, please do not hesitate to contact me.

Kind regards,

Alessandro Catanese

Test Report Form

ACADEMIC

NOTE Admission to undergraduate and post graduate courses should be based on the ACADEMIC Reading and Writing Modules.
GENERAL TRAINING Reading and Writing Modules are not designed to test the full range of language skills required for academic purposes.
It is recommended that the candidate's language ability as indicated in this Test Report Form be re-assessed after two years from the date of the test.
