

WORK CERTIFICATE

Name: Prabin Gurung

Personal Identification Number: 260192-2158

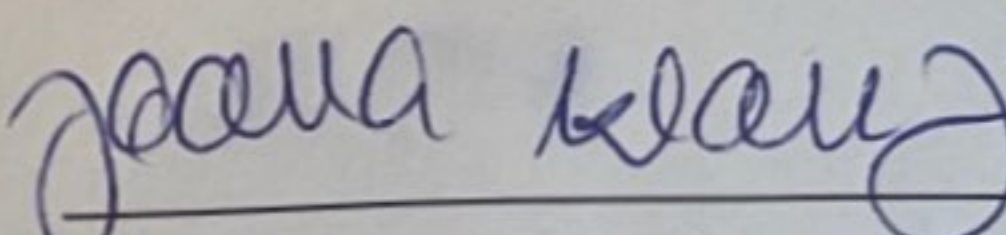

Upon request, I certify that nurse Prabin Gurung is employed in a permanent position as a nurse at HUS Abdominal Center, Unit M13.

Unit M13 is a versatile department that cares for both internal medicine and surgical patients from various specialties. The unit consists of a 22-bed internal medicine-surgical ward (M13) and a 6-bed VARKO unit (early discharge unit).

Our specialties in Unit M13 include urology, endocrine surgery, endocrinology, vascular surgery, and gastroenterology. We treat both elective surgical patients and emergency patients.

The VARKO unit is a hybrid ward combining day surgery and inpatient care, primarily managing elective procedural patients. Most patients in VARKO undergo endoscopic and radiological procedures.

Employment at the Abdominal Center's Shared Unit M13 began on June 12, 2023. The employment is a permanent, open-ended position.
