REGULATIONS

The studies are measured in credits (cr). A student's average study effort of 1,600 hours required for the completion of studies during one academic year corresponds to 60 credits. (Decree 1129/2014 § 3.) The Finnish credits are equivalent to the ECTS credits.

The Finnish grades are converted to ECTS grades as follows (ECTS grades in brackets): 5 (A), 4 (B), 3 (C), 2 (D), 1 (E), 0/fail (F or FX).

The student has gained such oral and written skills in the obligatory English language required by the degree programme that are necessary for practising the profession and for further professional development (Decree 1129/2014 § 7).

The student has due to his/her language of secondary education, secondary education completed abroad or for a special reason been exempted from the requirements on Finnish and/or Swedish dispulated by Decrees 1129/2014 § 7 and 424/2003 § 6.

The graduate has received his/her secondary education in Finnish and has taken the maturity test in English.
