## Declaration

Nursebeam hereby confirms that **Mr Timo Uustal** is part of our team of co-founders for our medical travel support solutions since September 2018. He has been in the role of CEO and leading the product management.

At Nursebeam we are improving access to healthcare for travellers. We believe that access to quality healthcare should be as simple as a chat over WhatsApp. Instant, and convenient.

In line with the above stated, we would be thrilled if Mr Uustal could join ManagiDiTH program, to learn the latest theoretical concepts, which help to foster digital transformation in healthcare and network with fellow healthcare innovators across Europe and beyond.

If you have any further questions, I'm available to reach at [timo@nursebeam.com](mailto:timo@nursebeam.com)

Healthy vibes with a sparkle of sunshine,

Timo Uustal  
CEO
